

Fall 2016-Winter 2017

Bourne's Energy would like to propose the following options to members of the Northeast Kingdom Chamber of Commerce:

Customer usage over 2000 gallons per year

Any customer using more than 2000 gallons per year would contact Bourne's Strategic Commercial Division (Tracy Baker or Levi Bourne). Tracy or Levi would meet with customer to review usage, tanks, equipment etc. Pricing would be negotiated on an individual basis based on the information gathered.

Customer usage less than 2000 gallons per year

Customer would receive a \$.20 prompt pay discount off our retail price. If customer pays in full within ten days of delivery they receive a \$.20 per gallon discount.
